The undersigned renter agrees to pay \$ **5,353.34** for rental of the above described water and agrees to use the water in compliance with the Water Supply Bank rules and in compliance with the conditions of water use shown below:

Conditions of water use under this agreement

1. Rental of rights 71-2091C, 71-2091D, 71-7008, 71-7083, 71-10665A, and 71 10665B is limited to a total combined diversion rate of 8.63 cfs and a combined diversion volume of 481.8 afa for use during the 2004 irrigation season authorized under each water right.
2. Rental of right 71-7009 is limited to a diversion rate of 0.82 cfs and diversion volume of 78.6 afa for use during the 2004 irrigation season.
3. The use of water under this agreement shall be subject to the provisions of Section 42-1766, Idaho Code.
4. Upon Department request, the renter shall provide for the measurement of the water diverted in a manner acceptable to the Director and shall report the amount of water diverted at the end of the irrigation season.
5. Use of water under this agreement does not constitute a dedication of the water to renter's place of use and upon expiration of this agreement, the points of diversion and place of use of the water shall revert to the licensed points of diversion and place of use and/or again be available to rent from the bank.
6. Renter agrees to comply with all applicable state and federal laws while using water under this agreement.
7. Renter agrees to hold the Board, the Director and the state of Idaho harmless from all liability on account of negligent acts of the renter while using water.
8. Renter acknowledges and agrees that the Director may terminate diversion of water if the Director determines there is not a sufficient water supply for the priority of the right or portion thereof being rented.
9. This rental does not grant any right-of-way or easement to use the diversion works or conveyance works of another party.
10. This rental does not authorize the construction of a well.

Dated this _____ day of _____, 2004.
