Re: Change of Ownership for Water Right 37-11758, 37-11747, 37-2556, 37-7817

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

Please note that water right 37-11747 is not appurtenant to the property you purchased, so ownership on this record was not changed to you. Water right 37-2556 is the 'parent' of right 37-20621 and 37-8017 is the 'parent' of 37-20619, so no fee is required on these three rights. There is also no fee to change ownership on water rights pending in an active adjudication; consequently, the only required fee is \$25 for decreed water right 37-11758. A refund of \$225 has been requested and you should receive it in the mail soon.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Trish Fawcett
Technical Records Specialist
