RE: PERMIT NO. 65-22894

Dear Permit Holder:

Enclosed is a copy of the Proof of Beneficial Use ("proof") form you filed with the department on July 27, 2009. This letter is to inform you that the license examination fee was not paid at the time of filing the proof. The license examination fee is based on the maximum rate of diversion that was developed, and is for the department to conduct a beneficial use field examination of the water system to verify its use. Your proof statement cannot be accepted without a filing fee.

The permit was issued with a maximum diversion of .08 cfs, from surface water, more specifically from Squaw Creek. Based on your maximum diversion rate of .08 cfs, the filing fee is \$50.00. Please submit the appropriate filing fee. Receipt of the filing fee must be received in our office on or before the proof due deadline of November 01, 2009.

I will hold this matter for your response for fifteen (15) days from the date of this letter. I have enclosed the instructions for filing proof and the filing fee schedule.

If you have any questions, please contact me at (208) 287-4945.

Sincerely,

Darla Block
Technical Records Specialist
