**PROOF ACKNOWLEDGEMENT LETTER**

**RE: Permit Nos. 74-15838 74-15839 74-15841 & 74-15846**

Dear Permit Holder(s):

The department acknowledges receipt of the proof of beneficial use forms ("proofs") and the license examination fee for the above-referenced water right permits. Enclosed is an order that reinstates the permits, since proof and the license examination fee for each were submitted after the proof due deadline. Please note that the priority date for the permits referenced above has been advanced to January 30, 2008, as provided in Section 42-218a(2), Idaho Code.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of These water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water. If you have questions about the field examination, please contact the **Eastern** Regional Office of the department in Idaho Falls at (208) 525-7161.

Sincerely,

Darla Block
