Re: Application for Water Right No. 63-12459 in the Name of Ellensohn and Fease;
Application for Transfer No. 5284

Dear Mr. Farris:

Thank you for your letter dated September 10, 1999. The records of the Idaho Department of Water Resources (IDWR) will reflect that you are the attorney of record representing Ellensohn/Fease.

In your letter, you requested a delay in the processing of the Ellensohn/Fease applications. This letter grants a six month interruption in the processing of the applications. I will inquire again on approximately April 1, 2000 regarding the status of the applications and related litigation.

Sincerely,

A handwritten signature in cursive script that reads "Gary Spackman".

Gary Spackman
