Comments: Date: 06/24/1998 User-ID: SLESTER Subject: TRANSFER NO. 5284
Also see Application 63-12459 about same pond. Transfer is part
of package of rights covering shareholders' use of canal water,
shallow ground water tributary to the river, & existing artesian
well. Multiple sources are involved in serving existing nursery
for year around use, although use > irrigation season is minor
per shareholders' information. Extensive file history found in
63-12459.
