RE: Protests

Tim called to discuss Hinnel/O'Hare protests to
ditch co. transfer & Fease/Ellensohn appl. for permit.
was puzzled by protesters' reference to item #3
in each protest.

Asked if Iman had add'l. documentation from
protesters & that meeting. I told him I had notes
I made but nothing else.

Tim asked for copy of my notes. He also
asked for clarification from Iman & his panel case.

✓ Fax my 7/14/98 notes to him (conv. memo).

Pending Discuss issues w/ mag. then reply to Tim &
his panel.
