MEMORANDUM

August 31,, 1998

To: Steve Lester 

From: Sheryl Howe

Subject: Ballentyne Decree Cuts

I have broken the Ballentyne Ditch down by priority dates and have identified the number of days the rights were filled in their entirety and cut to 75,60 or 0% of the right. The columns labeled "Day On" and "Day Off" refer to the date the ditch started and stopped diverting water, respectively. The 1993 irrigation year was chosen since runoff was 107% of normal.
