RE: Protest -

Kentley called to ask for letter in response to his protest supplement faxed to IDMR recently. Asked that acknowledgment letter include:

- done -
- a) Those are the topics we discussed a prior office meeting (he, Lisa & me).
 - b) confirm that I did not have answers to some specific questions he raised.

Also, Kentley wants to review WR/AT files to be sure has all cc's he needs. I suggested best way to do that is to visit office & make cc's as needed. He will call to make arrangements for that.

Protest court on hearing - October is not good time for him to meet due to other commitments.
