RE: PERMIT NO. 67-14475

Dear Permit Holder:

In response to your request to waive your measurement device and lockable controlling works requirement, the department has issued the enclosed Order waiving this condition of your permit at this time. You will be notified by the department if this condition must be reinstated, should there become a need to measure your water use in the future.

Be advised that Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Sincerely,

Emalee Rushing
Office Services Supervisor
