RE: Water Right No. 57-11784 (split from water right 57-7309)

Dear Water Right Holder:

On July 30, 2009, the Department notified you that the requested change in water right ownership was completed. The Department sent you a copy of a water right report which listed your portion of the water right.

While processing the ownership change requested by David Alley for his portion of water right 57-7309, I noticed that the conditions were not updated. I have updated each water right to reflect the appropriate combined annual diversion volume.

Please find enclosed a copy of the parent's water right report and a copy of each split portion. If you have any questions, please feel free to contact me at 208-287-4952.

Sincerely,

Emalee Rushing
Office Services Supervisor
