RE: Water Right No. 96-4142
Change of Ownership

Mr. Fishbaugh:

Thank you for your response to my letter dated Aug. 6, 2009. Unfortunately the information you sent is not sufficient proof of ownership. Tax assessment notices do not necessarily indicate ownership and do not provide a complete description of the property nor do they describe conveyances or exclusions associated with the property.

The most common evidence of ownership is a Warranty Deed but a Title Policy or Contract of Sale could also be acceptable as well as other documents.

If you have questions, please call my direct line at 208-287-4967.

Sincerely,

Sandy Egbert
GIS Specialist
