RE: Permit No. 15-7264

Dear Permit Holder:

Enclosed is a copy of the approved request for extension of time submitted in connection with the above referenced permit which extends the time within which to submit proof of beneficial use to October 01, 2014. Please note that the department granted the extension due to circumstances beyond your control, which kept you from completion of developing the permit. It is important that you work diligently toward the completion of this project during the construction period allowed since the department will not be able to grant additional extension requests.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Please contact any office of the department for the proper form to file a change of ownership of a water right and/or a change in the address of the owner.

If you have any questions regarding this matter, please feel free to contact the department.

Sincerely,

Darla Block
Technical Records Specialist
Water Allocation Bureau
