Great! Just wanted to make sure it hadn't fallen through the cracks or something. I'll look forward to receiving it...Jeanie

Jeannie: We met with Mr. Visser to finalize the distribution system map. Amy is working on the map and I will get back to you next week.
Thanks for your patience

Chuck,

Last I heard, we were waiting for you to either describe **how all the wells are connected** (especially for the dairy use) or you might be going to amend and **remove some of the wells from the dairy transfer**. Anything new here? I'd like to finish these two and I think that is all we are waiting for. Please let me know.

Thanks, Jeanie
