RE: Water Right No. 25-7467

Dear Mr. Jordan:

We have been reviewing the status of certain water rights of the City of Idaho Falls and have found that Water Right No. 25-7467 is still in the permit stage. The field examination for this water right was completed March 9, 1995 and we would like to have this right get licensed. Please contact us to set up a time to discuss this matter if necessary, or to answer any questions. Thank you for your kind attention to this matter.

Best Regards,

Robert L. Harris
