INTERIM DIRECTOR

I PROTEST against the approval of the application filed to appropriate the Public Water of the State of Idaho. As published in the Adams county Record, Aug.20-2009.

On the grounds that Grossen Creek is dry most of the year at this location. This storage dam was put in ILLEGAL, by not having PLANNING & Zoning - Impact Studies - or not having Public Hearing and commits.

Shortly after construction the storage dam began leaking in a catastrophic manner. Adams County Sheriff had the storage water pumped out of the dam, to stop it from flooding our homes that are directly below.

A copy of this protest also sent to the applicant on this date. To My knowledge the above statement is true and that the water diversion be DENIED. My check for \$25.00 is included.
