

MEMORANDUM

To: File – Transfer #'s 74727 & 75116
From: Denise Buffington DB
Date: September 14, 2009
Subj: Legal Notices

On August 12th, 2009, I submitted legal notices for the above referenced transfers to the Idaho World in Boise County. The ads were scheduled to run on August 19th & 26th. I received an e-mail from the newspaper on August 14th, confirming that the ads would run as scheduled.

During the standard review of the affidavits, it was noted that the publication date were listed on the legal ad (newspaper clipping) as August 18th & 26th. Not August 19th. I called the Idaho World on September 10th and left a message for Teri, to inquire as to whether or not it was just a type-o.

On September 14, Teri called me back and said that the affidavits & invoice are in fact correct, and the ads were published on August 18th and 26th. Apparently, their printer (person that prepares and prints the newspaper) was going to be on vacation, therefore they published one day early, on the 18th.

This is a weekly newspaper therefore it should not be a problem. The ads were still advertised once a week, for 2 consecutive weeks.
