PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 57-11680

Dear Permit Holder:

The department acknowledges receipt of the Assignment of Permit, Proof of Beneficial Use form ("proof") and the license examination fee for the above-referenced water right permit. The department has updated its records to reflect the change in ownership and has enclosed a computer generated report for your reference. Also enclosed is an order that reinstates this permit without advancing the priority date as the department did not give the permit holder the required sixty days notice that proof was due.

The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water according to the conditions of the permit.

Be advised that Section 42-248, Idaho Code, requires you as the owner of water rights to maintain current ownership and address records on file with the department. For your information, forms to file a change of ownership of a water right, or a change in the address of the water right owner are available from any department office or from the department's website at: www.idwr.idaho.gov

If you have any questions concerning the field examination, please contact the Western Regional Office in Boise at 208-334-2190.

Sincerely,

Emalee Rushing
Office Services Supervisor
