RE: Assignment & Proof of Beneficial Use for 57-11680,
Change of Ownership 57-7548 & 57-7579

Dear Mr. Wardhaugh:

I have enclosed a copy of the 07-08-2009 letter sent to the Johnsons, an Assignment of Permit (Assignment), a Statement of Completion for Submitting Proof of Beneficial Use form (Proof) and a Request for Extension of Time form (Extension) for Permit 57-11680. You will need the Johnsons to sign the Assignment form to allow the update of ownership of the permit. Please note that the development under this permit should have occurred prior to March 1, 2008, and either the Proof (development completed) or Extension (need additional time to complete development) form must be submitted before September 8, 2009 to avoid the permit lapsing.

I have also enclosed Notice of Change In Water Right Ownership (Ownership Change) form and instructions for Rights 57-7548 and 57-7579 which are other rights related to the Pioneer Mobile Home Park. You can submit ownership documentation per the instructions along with the appropriate fee of \$25.00 for each right to our Western Region office at the address shown on page two (2) of the instructions.

There was one other right in the Johnson's name that I couldn't specifically tie to the mobile home park, but that is located within the same legal description. Right 57-10693 appears to have been for a single domestic use developed in 1948. Perhaps the Johnsons can clarify to which property this right is related. The report references Parcel No. RP0032000 that the Owyhee County Assessor should also be able to identify. If Right 57-10693 is related to property you own, you can add it to the Ownership Change form and update all the rights at once.

If you require additional information regarding this matter, please call me directly at (208) 287-4951, e-mail me at pam.skaggs@idwr.idaho.gov or contact me by mail, and I will be happy to assist you.

Sincerely,

A handwritten signature in cursive script that reads "Pamela S. Skaggs".
