Re: Water Right 85-11194 and 85-11197

Dear Sir or Madam:

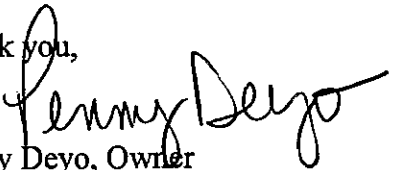

Enclosed please find correspondence from your office dated October 31, 2006 along with a receipt for change in ownership.

A few months ago I was researching some Well Drilling Logs on the internet and found the Ownership Rights were still in the Moody's names. I called your office to find out why? I was told it was because a Warranty Deed did not accompany the original paperwork sent to you by my attorney.

I am enclosing a copy of the Warranty Deed. I hope this document will resolve the matter.

If you have any questions please do not hesitate to call.

Thank you,

Penny Deyo, Owner
