Re: Change of Ownership for Water Rights "see list"

Dear Sir or Madam:

The Department acknowledges receipt of correspondence changing ownership for Box Canyon Land Holding LLC water rights referenced on the enclosed list. The Department has modified some of the records to reflect the change in ownership and has enclosed computer-generated reports for your records.

In research, rights 36-2535 and 36-7363A contain areas in the POU that are not indicated on the deeds submitted. #36-2535 has 21 acres in the NWNW of Section 22 that according to taxlot information belongs to Sand Springs Ranch and right #36-7363A has 5 acres in the SWNW of Section 27 that belongs to the State of Idaho. I need deeds showing ownership change or these rights need to be split to give ownership to the proper parties.

Also in research, I found thirteen rights which may apply to this same ownership change. (See attached) If you wish you can submit these on the enclosed form. The deeds have already been submitted so signatures and applicable fees are only required.

Seventy-five dollars (\$75) still remains from the original check #21889. Right #36-10889 was charged twice and rights # 36-2535 and 36-7363A could not be completed at this time. Please remember to apply this amount to any future submissions.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter. (208) 736-3033

Sincerely,

Carrie Hahn
