Subject: Application for Transfer – 63-4288

Dear Steve:

Enclosed on behalf of Roylance Investments and Corinthian Land Investments is an application for transfer associated with the Angler's Hamlet project near Eagle. The application proposes to change the nature of use of a 4.5-acre portion of water right 63-4288 from recreation and aesthetic storage to irrigation. As part of this change, the applicant will eliminate 1.7 acres of aesthetic and recreation pond surface area. This change in surface area will more than offset the consumptive use from one additional acre of irrigation.

The application is signed by David Roylance (manager for Roylance Investments, LLC, and authorized agent for Corinthian Investments, LLC). A \$100 check for the transfer fee is enclosed.

Please contact me with any questions.

Sincerely,

Terry M. Scanlan, P.E.
