Subject: Application for Transfer No. 73846 (Water Right 63-4288)

Dear Steve:

Application for transfer of water right 63-4288 was submitted to your office in April 2007. The application proposed to change the nature of use of a 4.5-acre foot portion of water right 63-4288 from recreation and aesthetic storage to irrigation, and to eliminate 1.7 acres of pond surface area. The application was submitted on behalf of Roylance Investments and Corinthian Land Investments and signed by David Roylance (manager for Roylance Investments, LLC, and authorized agent for Corinthian Investments, LLC).

Corinthian Investments, LLC no longer has any interest in the property or water right. Ownership of both the property and water right is currently held by Roylance Investments, LLC (represented by David Roylance) and Five R Properties, LLC (represented by Robert Nahas).

I met with Mr. Roylance and Mr. Nahas today. They indicated that their planned development for the property (Angler's Hamlet) is currently on hold. As a result, they do not need to change the water right at the current time and they have asked me to request that the transfer application be held from processing until such time that the Angler's Hamlet project is resumed. Therefore, please consider this letter as a formal request to suspend processing of transfer application No. 73846.

Please contact me with any questions.

Sincerely,

Terry M. Scanlan, P.E.
