RE

APPL. STATUS

Mr. Augustus visited office ~~day~~ today
to check on his Appl. - upset that was
taking so long.

We discussed ownership info without
resolving anything.

I told him the Appl. would most
likely be processed this winter & that we'd
be in touch w any questions etc.

2/19/08

He called just after this Appl. was
placed into state S.G. will process.

Asked S.G. Reviewer to call home # so he
knows it's being worked on. OK to leave message.
