Re: Water Right No. 63-31600

Dear Sir or Madam:

I am enclosing with this letter the original of the Notice of Change in Ownership of the above water right along with my firm check in the amount of \$25.00 to cover the filing fee.

The water right is presently listed as being owned by the Estate of Margarette Elizabeth Odom DeMeyer. Attached to the Notice are copies of four recorded deeds which complete the chain of title from Arlen A. DeMeyer, Sr., through his surviving wife, Margarette Elizabeth Odom DeMeyer, and to their sole child, Arlen A. DeMeyer, Jr.

Arlen A. DeMeyer, Sr., died in 1999. His wife, Margarette Elizabeth Odom DeMeyer died in 2002. Fractional interests in part of the land where the place of use and points of diversion were located passed from his estate to both his wife's estate and to his son. The remaining part of the land where the place of use and points of diversion are located passed from his estate solely to his wife's estate. Upon the death of Mrs. DeMeyer, all of her interest in that land passed to their son. The Quitclaim Deed enclosed was executed by the two estates merely to confirm that the ultimate recipient of the property is Arlen A. DeMeyer, Jr., in an attempt to alleviate any question about the devolution of all of the property from the two estates.

If the enclosures create any question, please give me a call.

Very truly yours,

WESTBERG, McCABE & COLLINS, CTD.
