Ann Beutler,

Enclosed are copies of two letters that were sent to you and John Beutler at 1836 Northwest Blvd. Coeur D Alene ID 83814. The Proof Due Notice was sent April 30, 2009, and the Lapse Notice was sent July 13, 2009. I have also enclosed new forms for your use. The Statement of Completion or "Proof" form with instructions and fee schedule is the form you use if you are able to put the water to use. The request for extension of time form would be used if you need more time to develop in order to put the water to use. I have also enclosed a copy of your permit for reference.

As stated in my letter(Lapse Notice) dated July 13, 2009, you have until September 11, 2009 to file one form or the other. If either form is received by IDWR after Sept. 11, 2009, you will lose your priority date, and IDWR will require you to file two forms of evidence along with a letter of explanation as to why proof is late.
