Re: Charles Phipps and Verona Spreadbury, Water Right Nos. 67-15005 and 67-15006

Dear Mr. Bokides:

I received the warranty deed executed by Mr. Phipps to Ms. Spreadbury regarding water right no. 67-15005. The deed does comply with the department requirements to allow the applications for transfer to be processed.

Prior to recording the deed with the county, on suggestion is offered. The right is a decreed right, not a licensed right. The deed might be revised to replace "license" with "decree." It is not necessary to provide a revised copy to the department since the document is clear enough for department purposes.

Thank you for providing that information, and please do not hesitate to contact me if you have any questions.

Sincerely,
