CONDITIONS OF APPROVAL

1. Proof of application of water to beneficial use shall be submitted on or before **August 01, 2011**.
2. Subject to all prior water rights.
3. Project construction shall commence within one year from the date of permit issuance and shall proceed diligently to completion unless it can be shown to the satisfaction of the Director of the Department of Water Resources that delays were due to circumstances over which the permit holder had no control.
4. Stockwater use is for 100 head of cattle.

State of Idaho
Department of Water Resources
Amendment of Permit

NO. 55-13885

5. The quantity of water under this right for domestic and stockwater uses shall not exceed 13,000 gallons per day.
6. This right does not grant any right-of-way or easement across the land of another.
7. Domestic use is for mining camp.

This amendment of permit is issued pursuant to the provisions of Section 42-211, Idaho Code. Witness the signature of the Director, affixed at Boise, this 27th day of August, 2009.

JOHN WESTRA, Western Regional Manager
