RE: Application for Permit 75-14490

Dear Mr. & Mrs. Spath:

Please see enclosed a copy of your Application for Permit, 75-14490, which you submitted on October 16, 2007. This was the amended application.

On your point of diversion you listed it as in T22N R22E Sec 36 NWSW. But, you state it is in the same place as the place of use which is in T22N R22E Sec 2 SWSW. After much review, according to your map, they are both in the SWSW of Section 2.

I have enclosed a "NEW" Amended Application for Permit with the correction made. Please sign and return as soon as possible and I will get it ready for advertising.

If you have any questions, please feel free to contact me.

Respectfully Submitted,

Sharla Cox
