RE: *Amended Map & Attachment A for Transfer #74856 (Deer Creek Ranch)*

Dear Jeff:

Attached to this letter, you will find a revised map and Attachment A for the Deer Creek Ranch, Inc. Transfer Application (Transfer #74856). The BLM protested the transfer due to the fact that 1.8 acres of BLM land were included in the proposed permissible place of use. The attached revisions correct this oversight by removing the 1.8 acres from the proposed permissible place of use.

I spoke with Fred Price about the impact of these revisions on the BLM protest. He indicated that, so long as the Department amends the proposed place of use by removing the BLM acres, he would withdraw the BLM protest. Please provide both Mr. Price and myself with confirmation that the proposed place of use will be changed to remove the BLM land from the permissible place of use. At that time, the BLM protest will be withdrawn.

Thank you for your quick attention to this matter. Please call if you have any question.

Yours truly,

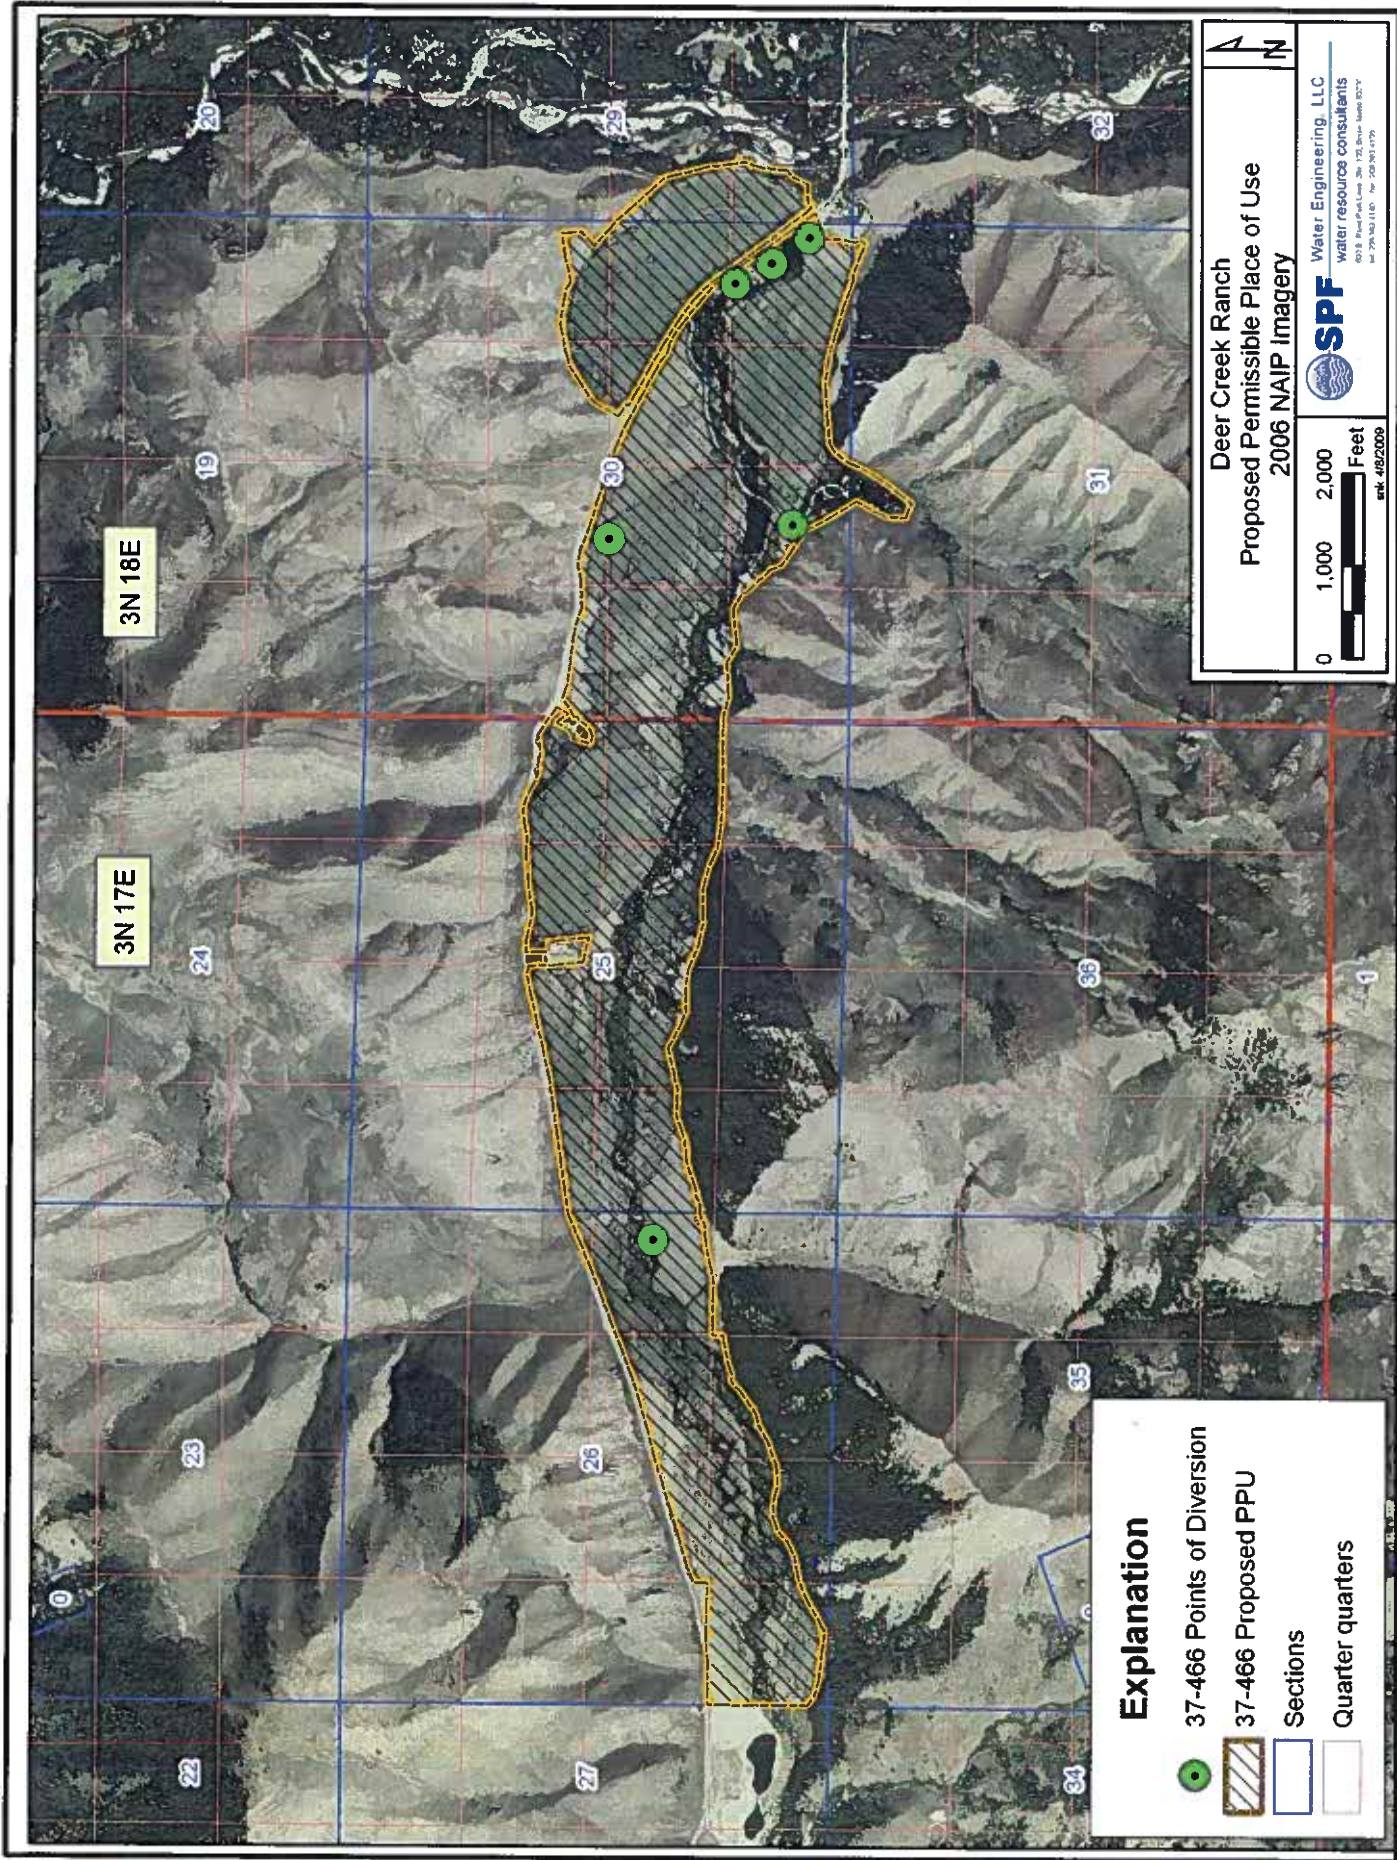

Paul L. Arrington
