Re: Application 71-10929 to Appropriate Water in the Salmon River Drainage

Dear Ms. Baldwin:

With reference to your letter of August 6, 2009, the following information is being submitted in compliance with Water Appropriation Rules 40.05c through 40.05g.

c. i Lost Creek—Burton W. Driggs, 1.6 cfs, irrigation, stockwater, domestic. Point of diversion--T8N, R14E, S35, NWSE

c. ii Not applicable

c. iii No impact on other water rights. Lost Creek sinks on our property and Lost Creek surface water is not tributary to Salmon River. Driggs water right is upstream on Lost Creek.

d. i ½ cfs diversion and 4.2 acre feet for wildlife storage 5/1 to 10/31

d. ii At peak Lost Creek would flow approximately 2 cfs. Supplemental ground water is acquired under water license # 71-7179

e. i Not applicable

e. ii Water license #s 71-7178 and 71-7178.

f. i Financing not necessary. Cost of headgate is \$75. Cost of weir is \$220.

f. ii Attached.

g. Tom Curet (IDF&G) and Troy Saffle (IDEQ) were contacted on 8/18/09 and asked for comments.

Please advise if we can provide any additional information.

Sincerely,

A handwritten signature in black ink, appearing to read "John T. Brown", with a long horizontal flourish extending to the right.
