RE: Stipulation for Withdrawal of Protest Regarding Permit No. 25-14199, in the name of Morning View Water Company.

Dear Ernie:

Enclosed for additional processing is a Stipulation for Withdrawal of Protest regarding Permit No. 25-14199. The permit application was protested by A&B Irrigation District, Burley Irrigation District, Twin Falls Canal Company, North Side Canal Company, and Milner Irrigation District. The parties met approximately a year ago at a pre-hearing conference, and since then have engaged in extensive settlement negotiations. This stipulation is a culmination of those efforts, and as contained in the stipulation, the parties have agreed to a condition in the permit approval. Please review and let me know if you have any questions. With this stipulation in place, we anticipate a permit will be issued with the agreed to conditions.

If you have any questions or concerns, please let me know.

Best Regards,

Robert L. Harris
