Re: Ken O'Brien Application for Permit No. 25-14021

Dear Ms. Scott-Brier,

This letter is a follow up to the March 15, 2005 pre-hearing conference that was held for the above referenced application for permit. During that conference it was discussed that the wildlife refuge would participate in summer long measurements and observations of the waters in question in order to gain a better understanding. My notes reflect an August 3, 2005 deadline. I would like to hear from you in this regard so that we may move forward with this matter.

Please feel free to call if you have any question at (208) 525-7161 or you can email me at roger.warner@idwr.idaho.gov.

Sincerely,

W. Roger Warner
Water Right Supervisor – Eastern Region
