File No. 45913

Dear Mr. Roberts,

The Department acknowledges receipt of correspondence changing ownership of the above referenced water right and has modified the record to reflect the change in ownership. Enclosed is a computer-generated report for your records.

Water Right 45-11863 is a domestic use water right with a diversion rate of .16 CFS. Condition of the water right limited the quantity of water under this right to not exceed 13,000 gallons per day and the place of use of the right is in Township 11S, Range 22E, Sec 27 in the SESW quarter.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
