RE: Change in Ownership for Water Right 34-2293, 34-2383, 34-406, and 34-13563

Dear Water Right Customers:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

☒ X Signature

During our review of the documentation we received we have learned that two separate actions have taken place with respect to your property. First, in October 2002, a piece of land was conveyed to Richard Harry from Barbara Huelsman, James Huelsman, Susan Merrill, Judith Opitz and William Opitz. Second, in December 2002, Lone James Huelsman gained ownership of a piece of property with Barbara Huelsman, having the land conveyed to him from Susan Merrill, Judith Opitz, and William Opitz. The Warranty Deeds for both of these actions have been submitted and provide sufficient evidence of the ownership.

You have requested in your notice of water right ownership change that water rights 34-2293, 34-406, and 34-13563 be split between Richard Harry and the Huelsmans as well as making the appropriate ownership changes (with respect to all four water rights) from Merrill, and Opitz to the Huelsmans. This is not a problem, but it requires two separate ownership change forms be filled out and submitted.

We have enclosed a partially completed notice of water right ownership change form for Richard Harry to complete and return to us. Once we have received the completed form from him, with his signature, we can complete the split and the ownership change processes. For your reference, a copy of this letter is being sent to both the Harry and the Huelsman parties. If we do not receive the completed form from Mr. Harry within 60 days we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call Kari Lynn Townsend at 208-287-4952.

Sincerely,

A handwritten signature in black ink, appearing to read "E. Aldridge", with a long horizontal flourish extending to the left.
