Little Willow Irrigation District
C/O Helen Bivins, Secretary
PO Box 306
Payette, ID 83661

Mrs. Bivins,

In so much as the **Order Accepting Petition For the Annexation Of Real Property Into The Little Willow Irrigation District** approved by the Irrigation District Board on May 12, 2009 is accepted by both parties, the Idaho Department of Water Resources (IDWR) considers this Order as acceptable resolution to the dispute which precipitated the notice issued to Michael Roe on January 29, 2008.

Furthermore, it has been determined that no change is required to the Little Willow Irrigation District boundary as a result of this Order. The boundary of the Little Willow Irrigation District was Partially Decreed in the Snake River Basin Adjudication on June 7, 2004 with the boundary encompassing the Place of Use described with a digital boundary as defined by I.C. § 42-202B(2) and authorized pursuant to I.C. § 42-1411(2)(h). This general description allows for the boundary on file at the IDWR to contain acreage not currently under irrigation. In addition, the acreage indicated to be annexed is already included in the boundary description on file for the Little Willow Irrigation District. Please see the enclosed maps for illustration.

Additionally, would you please review the enclosed Change of Address form, have it signed by a representative of the District, and mail it back to IDWR. This form is required for IDWR to update our records with the correct mailing address.

Please contact me if you have any questions or concerns.

Sincerely,
