Hi Susan,

There were a total of 36 water rights updated based on the 3 notices (notice of change in water right ownership) submitted.

Total fees submitted = \$900.00

Fee per ownership change is \$25 – so the amount paid is perfect for the changes made.

The only one not updated is water right 45-11865. I'll paste in the info from the water right report below my message. It is possible that this one was included on the notice in error. If you feel that this water right should be updated, please submit the matching deed and the \$25 fee. As of this point, I will consider the updates complete for the notices submitted. I am sending out another acknowledgement letter and will cc you.

If you need any further help, please email or call me at 208-287-4952.

Thank you for your patience,
 Emalee

Hi Emalee,

Just checking in to see how everything is going with the Bean water right transfers. Have you had a chance to look at the deeds yet?
