RE: Water Right No(s). 79-10122

Dear Property Owner(s):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

The Schedule C was not included with the warranty deed. We need to have this as it contains the legal description of the property in order to process this change of ownership request. I have attached a copy of the warranty deed for your information.

Because the Department cannot process this request without proper information, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

A handwritten signature in cursive script that reads "Jean Hersley".
