RE: PERMIT NO. 63-31862

Dear Permit Holder:

Enclosed is a copy of the Statement of Completion for submitting proof of beneficial use ("proof statement") you submitted in connection with the above referenced water right permit. This letter is to request that you pay the appropriate license examination fee or file a Beneficial Use Field Report ("field report") prepared by a Certified Water Right Examiner.

Based on this water right permit you are permitted to divert a maximum of 3.26 cfs of which the license exam fee would be \$175.00. Filing a proof statement without the appropriate filing fee or field report can result in loss of the permit's priority date or lapsing of the permit. According to Section 42-217, Idaho Code the Department may advance the priority date 1 day for each day after the proof deadline if the fee is not paid. If the fee or the field report are not received within 1-year from the date of this letter, a lapse notice will be issued.

The Department will provide a 15-day grace period to submit the fee. If the fee is paid after 15 days, then the priority date will be advanced one day for each day after the proof deadline. Please return the enclosed copy of the proof statement with the filing fee or field report to my attention at the above address. If you have any questions regarding this matter, please contact me at (208) 287-4942.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Management Division
