Re: Application for Water rights to appropriate the Public Waters of the State of Idaho:
Water Right Number 95-10577.

After reviewing the water permit and well driller's reports for this application we have discovered that fee for your well needs and upgrade. I have enclosed copy of the driller report that indicate domestic use only in line #4. This means the driller bought a permit for \$ 75.00 in 2006 for domestic use (Not Irrigation). The one time well upgrade fee is \$125.00 for your well; this will add the use of irrigation to this well.

Once the department receives these additional fees, processing of the water license can continue. If you have any questions, please call me at 208-762-2800 or email me at eric.davis@idwr.idaho.gov Please respond with in 14 days.

Sincerely,
