RE: Change of Address for Linderman Teton Family Limited Partnership
Water Right Nos. 22-7143 and 22-7144

Dear Mr. Harris:

Ray Williams has brought to my attention the Change of Address requested by you in your letter dated July 28, 2009. The data base was changed to reflect the new address for your client by IDWR Water Right section without realizing the sub-cases were still active in the SRBA.

Generally address changes are processed on our data base with a confirmation letter to the claimant when it is completed. This change should have been processed by the Adjudication Section then a Notice of Completed Administration (NCAP) would be filed with the SRBA Court. The NCAP is currently being processed by the SRBA section at IDWR Eastern Regional office.

The License is valid as issued, so will not be amended to reflect the change in address. As a courtesy I am enclosing a copy of the License to you and your client along with copies of the Water Right Reports reflecting the address change.

I apologize for any inconvenience this may have caused and thank you for your quick follow-up in this matter.

Yours truly,

Danni M. Smith
Office Services Supervisor 1
