RE: Change in Ownership for Water Right 57-10878

Dear applicant:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership received on 3/18/2008. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

 X **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

The legal description in the quitclaim deed you submitted does not match the place of use for the water right. The place of use for water right 57-10878 is in the SE¼ of the SW¼ of Township 5S, Range 3E, Section 8. Your deed shows ownership of the W½ SE¼ of Section 8. There are no water rights associated in the area listed on the deed.

The Department cannot process the ownership change without proper documentation. We will hold your application for 30 days pending receipt of proof of ownership of the place of use of the water right. If we do not hear from you within that time, the ownership change application and attachments will be returned to you unprocessed.

Please feel free to contact the Department if you have any questions.
