RE: APPLICATION TO RENT WATER FROM THE WATER SUPPLY BANK
WATER RIGHT NO. 31-11443

Dear Mr. Sanders:

On July 29, 2009, I received your letter and the unsigned agreement for rental of 99.0 acre-feet of water under water right 31-11443. In your letter, you indicate that you will rent this water [directly] from Kirk Jacobs, the current owner of water right 31-11443, for a total fee of \$500. In 2008, you rented water under this right from the Water Supply Bank for \$500 in accordance with a private agreement between you and Mr. Jacobs. In accordance with Idaho Code § 42-1763, the terms and conditions of Water Supply Bank rentals must be approved by the Director of the Department of Water Resources.

If you and Mr. Jacobs have entered into a private agreement for the rental of water under this right, please send me a copy of your agreement describing the financial terms of the rental. The Water Supply Bank Rules require the Department to retain 10% of the gross amount received from rentals for administrative costs of operating the Bank. Once I receive a copy of your private agreement to rent water under Mr. Jacobs' right, I will send an amended rental agreement to you for your signature and payment of the total rental fee. Once I receive the signed rental agreement and payment in full, the Department will then issue payment to Mr. Jacobs for 90% of the gross rental fee thereby completing the transaction.

If you have any questions, please contact me at (208) 287-4943.

Sincerely,
