NOTICE TO RESUME WATER USE

Re: Water Right No. 36-7847

Dear Water Right Holder:

On November 23, 2004, the department approved an Application for Extension of Time to Avoid Forfeiture for water right no. 36-7847. One condition of the approval was that diversion and use of this water must resume on or before October 1, 2009. The department is required to give you sixty days notice before the due date that the use of water is to resume and provide you the form for reporting resumption of use of the water right.

Please find enclosed a copy of the application for extension of time and the resumption of use form. Failure to resume use of the water and to notify the department of the resumed use would be cause for the water to revert back to the state and again be subject to appropriation. Please complete the enclosed resumption form and return it to my attention at the above address on or before October 5, 2009.

If you have any questions regarding this matter, please contact me at (208) 287-4952.

Sincerely,

Emalee Rushing
