Re: **Water Right 36-8416**

Dear Water User:

Recent information from Haney Seed indicates that you **may** be the current owner of all or a portion of the above listed Water Right.

Before we can modify our records to reflect your ownership of all or a portion of the property of the water right referenced above, we need to have a Notice of Change in Water Right Ownership form completed and returned with the appropriate support data and filing fee. I have enclosed a copy of this form along with a database report for the listed water right for your convenience.

Please note that Idaho Code 42-248 requires water right owners to report any change of water right ownership and/or mailing address to the Department within 120 days of the change. **Failure to report these changes could result in a \$100.00 late filing fee.** Contact any office of the Department or visit the Department's home page on the internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please contact the State Office or your Regional Office at 208 736-3033.

Sincerely,

Christine Roberts
