RE: App For Transfer 70893; My Letter Dated 3-20-2008

Dear Bob;

You never responded to my last letter on this application, so nothing has been done on this transfer for over a year. It is time to either get these issues resolved or for the transfer to be withdrawn by you, or rejected or denied by us. If you are still interested in this project, please contact me by May 22 with data on the expected surface area and total volume of the proposed ponds.

Regards,

James E. Stanton
Sr. Water Resource Agent
