PROOF ACKNOWLEDGMENT LETTER

Re: Permit No. 85-15440

Dear Permit Holders:

The department acknowledges receipt of the Request for Extension of Time, Proof of Beneficial Use form ("proof") and the license examination fee for the above-referenced water right permit. At your request, we have processed the proof and are returning the request for extension of time.

Enclosed is an order that reinstates this permit, since proof and the license examination fee were submitted after the proof deadline. Please note that the priority date for the permit has been advanced to February 18, 2004, as provided in Section 42-218a(2), Idaho Code.

The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water according to the conditions of the permit.

Be advised that Section 42-248, Idaho Code, requires you as the owner of water rights to maintain current ownership and address records on file with the department. For your information, forms to file a change of ownership of a water right, or a change in the address of the water right owner are available from any department office or from the department's website at: www.idwr.idaho.gov

If you have any questions concerning the field examination, please contact the Northern Regional Office in Coeur d'Alene at 208-762-2800.

Sincerely,

Emalee Rushing
Office Services Supervisor
