PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 72-16645 and 72-16696

Dear Permit Holders:

The department acknowledges receipt of the statements of completion for submitting proof of beneficial use ("proof") form submitted for each of the above-referenced permits. The next step in the process of developing a water right is for the department to conduct the field examination to determine and confirm the use of the water, and that it meets the permitted beneficial use.

Be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at:
www.idwr.idaho.gov

If you have any questions about the field examination, please contact the **Southern** Regional Office of the department in Twin Falls at (208) 736-3033.

Sincerely,
