PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 63-12319

Dear Permit Holder:

The department acknowledges receipt of the statement of completion for submitting proof of beneficial use ("proof") form submitted for the above-referenced permit. The next step in the process of developing a water right is for the department to conduct the field examination to determine and confirm the use of the water, and that it meets the permitted beneficial use. I note that you have domestic use listed on your statement of completion. The permit allows for commercial and stockwater use with the total maximum diversion of 1.0 cfs. I have enclosed a copy of the permit for your convenience.

Be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov

If you have any questions about the field examination, please contact the **Western** Regional Office of the department in Boise at (208) 334-2190.

Sincerely,

Emalee Rushing
