PROOF ACKNOWLEDGEMENT LETTER

RE: Permit Nos. 36-16440 and 36-16441

Dear Permit Holder:

The department acknowledges receipt of the Proof of Beneficial Use form ("proof") and the license examination fee for each of the above-referenced water right permits. Enclosed is an order that reinstates each permit, since proof and the license examination fee were submitted after the proof deadline. Please note that the priority date for each permit listed above has been advanced to August 31, 2006, as provided in Section 42-218a(2), Idaho Code.

The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water according to the conditions of each permit.

Be advised that Section 42-248, Idaho Code, requires you as the owner of water rights to maintain current ownership and address records on file with the department. For your information, forms to file a change of ownership of a water right, or a change in the address of the water right owner are available from any department office or from the department's website at: www.idwr.idaho.gov

If you have any questions concerning the field examination, please contact the Southern Regional Office in Twin Falls at 208-736-3033.

Sincerely,

Emalee Rushing
Office Services Supervisor
